Divorced/Separated Parents

Being a Christian Community, we as a school family welcome the involvement of both parents in any and all school activities unless there is a court order stating that one parent is not to be involved. We ask, if you are divorced or separated, that the custodial parent fill out the following form and return it to the school office. Please indicate for us if there are any questions or concerns regarding a biological parent being involved in any activities or in picking the child(ren) up at school.

CHILD'S NAME _____ GRADE _____

CUSTODIAL PARENT'S NAME _____

ADDRESS _____

PHONE _____

NON-CUSTODIAL PARENT'S NAME _____

Please check:

_____ The father/mother has full rights to our child(ren)'s records, report cards, etc.

_____ The father/mother does not have the right to the child(ren)'s records. He/She may not, by law, have visitation or pick them up at school.

(A copy of the rights section of the divorce papers which include custody must be submitted.)
