

SCHOOL UNIFORMS

It is a proven fact that uniforms: effect behavior in a positive way, eliminate competition, save money, instill pride (if worn properly), and give one a sense of belonging.

All students in Grades K-5 at St. Rita School are to be dressed in the proper uniform each day of the school year. Complete uniform is to be worn to and from school unless specific permission is granted otherwise. Parents will be notified of any violation of the uniform code.

No jewelry (this includes plastic chokers, chains, and ankle or wrist bracelets). Necklaces are NOT allowed for safety reason (PE & Recess – playground) except for religious necklaces (crosses or medals) on a small, short chain that are worn UNDER the child's blouse or shirt. Only stud earrings are acceptable for girls. Other earrings are dangerous at lunch time and in PE class. Boys are not allowed to wear earrings in school or at school functions.

No unusual hair styles (including mohawks, hair carvings, bleached, colored, tinted, highlighted, etc.) are to be worn. These can all be distracting to the learning process. Only navy, white, or school plaid headbands and small bows are allowed. Hair for boys and girls should not be in their eyes or over their faces. Boys hair should be **above** the collar.

Clothing must “fit appropriately”. Not too tight, not too loose, and/or not too short.
